BUDGET 2022 EDITION

A MESSAGE FROM YOUR MP

Dear friends and neighbours,

I hope the start of the spring season has been kind to you and your family.

Over the past few months, Canadians in Markham-Thornhill and across the country have celebrated a number of occasions and holidays. The month of May was also Asian and Jewish Heritage month. Whatever you may be celebrating, I hope you all had a chance to spend time with your family, friends, and loved ones. There is great strength in the diversity of our community!

Our government has been very busy, working hard to make life more affordable, creating jobs and growing the economy, and ensuring a clean future for Canadians. This is exactly what we have set out to accomplish with the recent tabling of budget 2022.

With Canada Day coming up, my office will once again be distributing Canada Day signs! You may reserve one by calling 905-479-8100 or emailing mary.ng@parl.gc.ca

Sincerely,

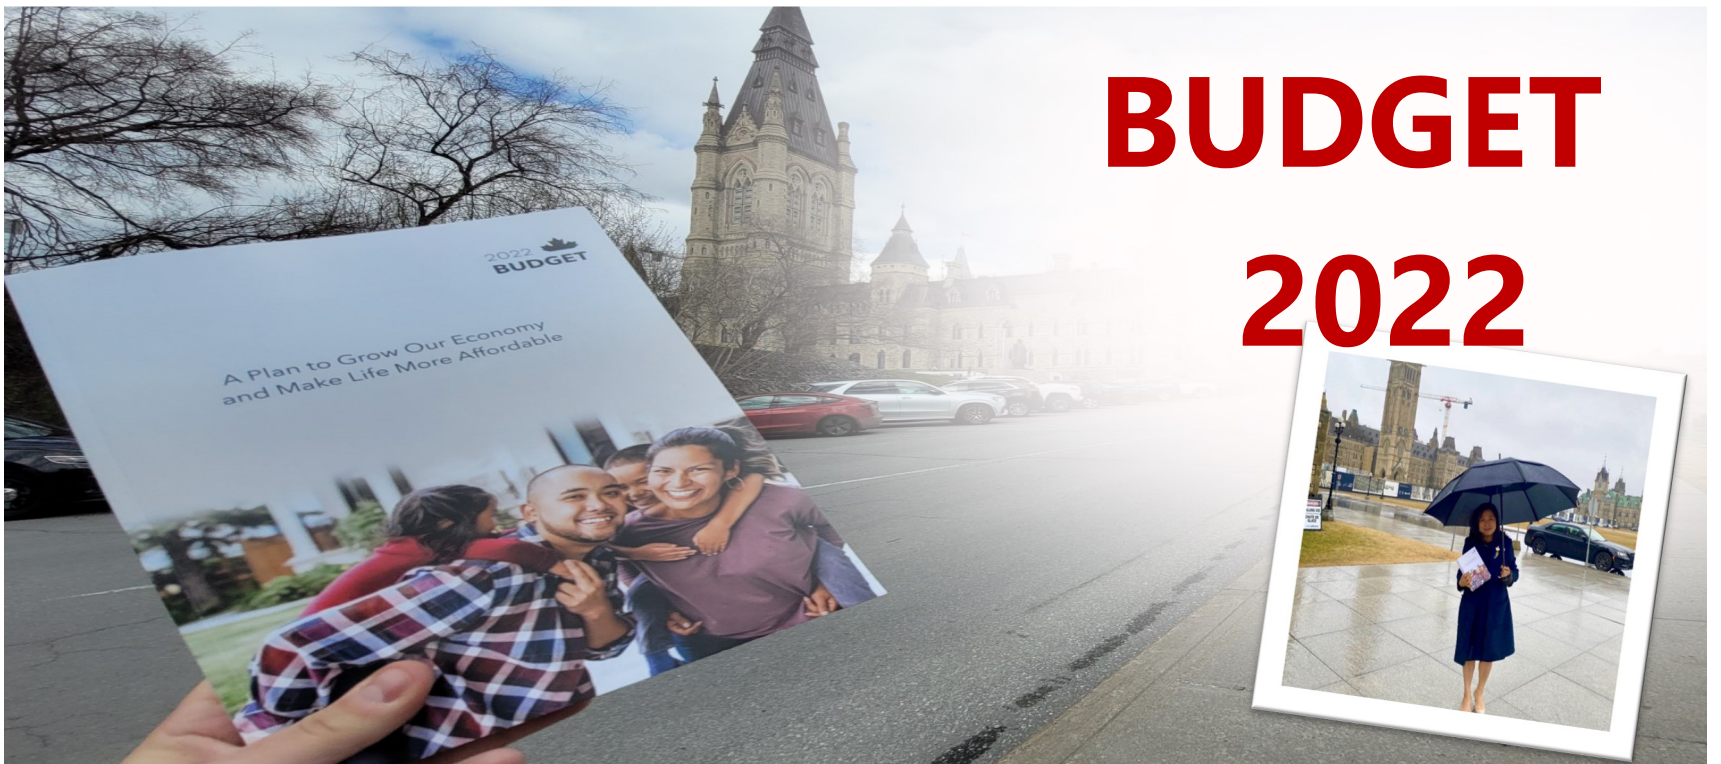

AMBASSADOR KATHERINE TAI VISITS CANADA

In May I welcomed US Trade Representative Katherine Tai to Canada, and Markham-Thornhill where we met with innovative Canadian businesses and entrepreneurs.

We discussed the record breaking Canada-US trade, resilient supply chains and inclusive economic growth for small and medium sized enterprises on both sides of the border. With Ambassador Tai, I also held a forum with Asian Canadians and Youth to celebrate Asian Heritage Month!

BUDGET 2022

Budget 2022 invests in three main things: people; economic growth; and a clean future for everyone. Through these targeted and responsible investments, our government will help make life more affordable, create jobs and prosperity today and build a stronger economic future for all Canadians.

**Making it Easier for
Canadians to
Buy a Home**

**Making Life
More Affordable for
Canadians**

**Moving forward on
Dental Care**

A Clean Economy for Today *and* Tomorrow

\$1.7 billion over five years to extend the Incentives for Zero-Emission Vehicles program until March 2025 to help more Canadians get behind the wheel of zero-emission vehicles (ZEV's).

\$547.5 million over four years to launch a new purchase incentive program for medium- and heavy-duty ZEVs to help businesses upgrade their fleets.

Keeping our Communities Safe

\$85 million over four years, starting in 2022-23, to the Department of Canadian Heritage to support the work underway to continue addressing racism and combatting hate.

\$5.6 million over five years, with \$1.2 million ongoing to support the new Special Representative on Combatting Islamophobia.

\$5.6 million over five years, with \$1.2 million ongoing to support the Special Envoy on Preserving Holocaust Remembrance and Combatting Antisemitism.

Supporting Canada's Growing Small Businesses

- Building more efficient supply chains to meet the needs of our economy.
- Cutting taxes for growing small businesses.
- Helping small and medium-sized businesses access international markets by improving accessibility to Canada's trade remedy system.

A Place to Call Home

Introducing a **Multigenerational Home Renovation Tax Credit**, which provides up to \$7,500 in support for constructing a secondary suite/apartment

Introducing the **Tax-Free First Home Savings Account** to make it easier for young Canadians to save for their first home

Launching a new **\$4 billion Housing Accelerator Fund** to support and incentivize municipalities to build more homes faster

Making Life More Affordable Through \$10/Day Child Care in Ontario

Child care is not a luxury, it's a necessity. Every child deserves the best possible start in life, and all parents should have the ability to build both a career and a family. Recently, our government announced an agreement with Ontario that will provide families with better access to high-quality, affordable, flexible, and inclusive early learning and child care programs and services. The agreement will reduce child care fees in the short term, deliver \$10-a-day child care for Ontario families, and create 86,000 new licensed early learning and child care spaces in the province.
