## WORKING TOGETHER WITH YORK REGION

My colleagues and I met with York Region Chairman Wayne Emmerson and his executive to discuss how we can continue working together to support growth and investment within transportation, affordable housing, and fighting climate change. York Region Police Chief Jim MacSween also joined us for a very important conversation on public safety and how we can continue to ensure that Markham-Thornhill is a great community to live in.

## YOUTH COMMUNITY CLEAN-UP DAY

The Markham-Thornhill Constituency Youth Council has remained very active in our community. Recently, the CYC hosted a successful park clean-up day to help keep our beautiful parks clean so they can be enjoyed by everyone! Our young people are both leaders of today, and tomorrow, and the Markham-Thornhill Constituency Youth Council is a great example of this!

## MARKHAM-THORNHILL SPOTLIGHT

### CHERISH INTEGRATED SERVICES

Cherish Integrated Services has been a pillar in Markham, supporting persons with developmental disabilities for over 10 years. Recently they received \$550,000 (over \$400,000 from the Government of Canada) in funding to upgrade their Denison Street Community Centre. The renovated Centre is now much more accessible for clients, and is also intended to be used as a community gathering space, to host events and programs that are open to the public. Projects like this benefit our whole community, and this funding will ensure that Cherish can continue their great work for years to come!
