

## A MESSAGE FROM YOUR MEMBER OF PARLIAMENT

Dear Constituents,

Spring has arrived! And with it, comes hope. I believe in the promise of hope, and of our government. I am proud of our accomplishments, the work we continue to do, and our vision for a better future.

Since the beginning of the year we've introduced critical legislation that;

- lays the framework towards the first phase of universal Pharmacare in Canada, including diabetes coverage for 3.7 million Canadians and contraception supporting nine million women.
- creates stronger online protections for children and better safeguards for all Canadians that tackle online hate and harmful content through the Online Harms Act.

We reached an agreement with the Government of Ontario of more than \$3.1 billion in federal funding for healthcare over the next three years, delivering better access to health services with more doctors, nurse practitioners, and nurses.

I am looking forward to seeing what achievements are ahead, as we work to ensure a better future for everyone.

Sincerely,

## MORE AFFORDABLE HOUSING FOR MARKHAM

Our government understands that we need more homes that Canadians can afford and we are working with municipalities across the country to eliminate barriers to help build more homes, faster, and right here in our community. We are committed to delivering real results for the people of Markham and are:

- investing over \$58.8 million through Canada's Housing Accelerator Fund,
- helping build 1,640 additional homes over the next three years,
- ensuring 6,635 homes are built over the next decade.

HON.  
**MARY NG**

Member of Parliament  
Markham-Thornhill
