

A MESSAGE FROM YOUR MEMBER OF PARLIAMENT

Dear Constituents,

And just like that, September is here!

I am busy getting ready for the upcoming Parliamentary session, and taking time to reflect on the last few months. From Canada Day celebrations to enjoying the outdoors, I savoured every moment I spent with the good people of Markham-Thornhill.

I've said it before, and I'll say it again, one of my favourite things to do as a MP is meet with young people. It is an absolute joy to listen to their ideas, engage in discussions, and be inspired by them. August 12th was International Youth Day, and I cannot think of a better way to observe it than by recognizing the dedicated members of Markham-Thornhill's Constituency Youth Council (CYC). Their passion for Canada, and our community, always energizes me.

Markham-Thornhill's CYC are young people who are passionate about their community. Joining the CYC is a great opportunity to connect with peers, and advocate for the federal issues that are important to you.

If you are between the ages of 14 - 25 and enthusiastic about federal issues, then I want to hear from you! This fantastic opportunity runs from September to June, and meetings take place once a month. Email mary.ng@parl.gc.ca for more information on how to apply. I look forward to meeting you!

Sincerely,

Upcoming Federal Benefit Payment Dates

Community Update

IN THE COMMUNITY

We welcomed Prime Minister Trudeau to announce a federal investment of \$76 million to help York Region build an electric bus fleet and reach net-zero by 2050. This initiative will help more residents access clean, comfortable, and sustainable public transit.

HELPING YOUTH GAIN SKILLS AND EXPERIENCE WITH CANADA SUMMER JOBS

This summer over 75 organizations in Markham-Thornhill participated in the Canada Summer Jobs (CSJ) program and were awarded over \$1.1M in funding, creating over 235 summer jobs for youth in our riding.

Since I was first elected in 2017 over \$7.5M has been invested in Markham-Thornhill through CSJ, resulting in over two thousand employment opportunities for young people.

This important program helps young Canadians earn money with local employers throughout the summer while gaining critical skills and experience.

CSJ is part of our government's ongoing commitment to support young Canadians and help them achieve their dreams. Our government is committed to creating more opportunities for young people, ensuring that their hard work pays off.

Thank you to all the employers who created employment opportunities for these impressive young Canadians!
