

## A MESSAGE FROM YOUR MEMBER OF PARLIAMENT

Dear Constituents,

I'll get right to the point. I know things feel a bit uncertain right now, and I've heard this from many of you. But I want you to know I'm right here, sleeves rolled up, working hard every day for the people of Markham-Thornhill. Together, we've made real progress:

- 11,451 residents of Markham-Thornhill can now visit the dentist and get the care they need through the **Canada Dental Care Plan**,
- Seniors are staying connected and active through 29 community projects, backed by **\$685,385** in federal funding,
- This year alone, 247 jobs for young people provided valuable work experience through **Canada Summer Jobs** right here in Markham-Thornhill with an investment of **\$1.1M**,
- 1,640 more homes will be built in Markham for families to call home thanks to a nearly **\$59M** federal housing investment,
- **\$76M** for YRT's electric buses to help make your commute greener and cleaner, and is part of a larger **\$4B** federal investment in public transit throughout York Region,
- Over **\$37M** from the **Canada Carbon Rebate** has been put back into the pockets of Markham-Thornhill residents,
- Fighting climate change by making infrastructure changes to Markham's community centres with a **\$3.5M** investment. This will reduce their carbon footprint by 462 tonnes every year – that's like taking 100 cars off our roads!

These aren't just numbers on a page. These initiatives are making life better for real families in our community. It's seniors being able to get both their medications AND groceries, teenagers getting their first summer job, and young families finding affordable homes in the neighborhoods they love.

When I hear Conservatives talk about cutting programs, I worry about what that means for our community - because I've seen firsthand how they help real families right here in Markham-Thornhill.

Your voice matters in shaping Markham-Thornhill's future. Together, we can build something truly special here - not with divisive talk, but with real solutions that help our country and community thrive. Let's keep building this amazing community together!

Happy 11th anniversary to The Boxgrove Seniors' Community Wellness Club. This club is a cornerstone of our community, a vibrant hub where Tamil culture, health, and wellness thrive.

The Canadian Community Table Tennis Association is an important contributor to our community by providing opportunities for young athletes to dream, grow and flourish.

Canada's GST/HST break on essential items, ending on February 15th, helped families save during the holiday season and at the start of 2025.

Thank you Temple Har Zion and all the volunteers! Your Community Dinner Program is an inspiring example of your generous spirit and reminds us how compassion can make a difference in the lives of our community members.
